

# Unlock savings with our HDAW specials!

going the extra mile

Your Partner in Exhaust and Emission

Mark your calendars for this limited-time promotion during Heavy Duty Aftermarket Week! Offers are only valid through January 21-27, 2024.

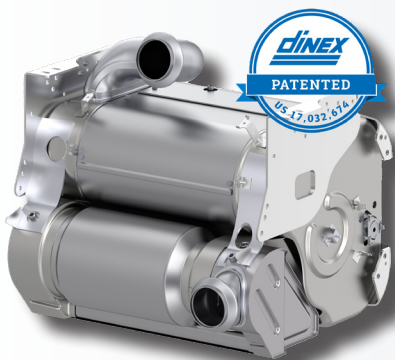

## 20% off all NOx Sensors!

Recent studies shows that Dinex NOx sensors are better than the others. Scan the QR code to find out more or check out the benchmark article here: <https://www.dinexemission.com/are-you-still-settling-with-oe-nox-sensors>

### Gen2 NOx sensors by Dinex:

- No core charges
- Improved accuracy
- Faster reaction time
- Better durability
- Compatible with recent & upcoming ECU software updates

## 5% off EPA 10/14 OneBoxes!

### OneBox by Dinex:

- Promotion includes Dinex no. 35022, 35030, 35017, 35035
- Optimized DEF crystallization prevention and higher durability
- Patented and optimized exhaust flow and sensor locations
- Warrantied for 3 years
- Developed, produced, and validated like any other OE product – but at the price of an Aftermarket part.
