OFF-HIGHWAY POWERTRAIN & FUELS
USA 2024

Meet Dinex at the Off-Highway Powertrain & Fuels conference in Irvine, California, where we will be talking about holistic and energy agnostic solutions for tackling the Tier 5 challenge for current and future powertrains.

**TIER 5 Diesel
Aftertreatment Solution**

**Hydrogen Combustion
Engine Solution (H₂ ICE)**

- ✓ **SCR systems and mixer technologies for ultra-low NO_x emissions.**
- ✓ **Market leading DPF technologies for highest filtration & lowest back pressure**
- ✓ **Hydrogen Combustion solutions with NO_x Storage Catalyst technology**
- ✓ **Modular & cost-efficient aftertreatment systems.**
