

# This box ain't nothing without the right pipe!

Did you know that in a modern Euro VI vehicle, the front exhaust pipe is just as important a part of the emission system, as the advanced catalytic and filtration technologies in the silencer?

✓ Temperature Management

✓ Leak-tight Clamping

✓ Leak-tight Decoupling

See our video here

Check out our full range of front-pipes and other components for EURO-VI systems in our catalogues for Trucks and Buses.
