

No more excuses!

They are as small and inexpensive as they are frequently neglected. But failing to replace AdBlue® filters can lead to critical consequences.

All You Need From Turbo To Tailpipe

Filters for AdBlue® Pumps by Dinex

Essential for your SCR system

Protects and prolongs the life of the much more costly pump, injector and catalyst, and should be replaced no later than every 100.000 km.

Silicone lube included

Always apply to the sealing ring before mounting, for a tight fit and easier disassembly. And always included when you buy Dinex.

Full range, all in one place

Covering Trucks and Busses from all the big 7 makes, with a complete range of spare parts for your SCR system. All in one place!
