

New Front Pipe? New Clamps & Gaskets!

Poor pipe connections is the reason of many costly Euro VI failures. Don't run the risk when you're replacing front pipes: Always replace in sets!

All You Need From Turbo To Tailpipe

Front Pipes, Clamps & Gaskets for Volvo

Manufactured to OE Standards

Our V-clamps are designed and produced in Europe, from the same factory that supports Global leading OEMs with daily deliveries.

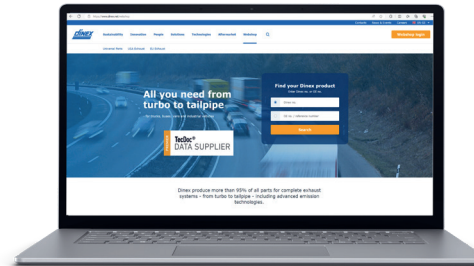

Premium or E-Line?

We support all budgets: Pipes and clamps are available in premium stainless or budget-friendly alu-coated steel. Both produced to the same standards, naturally.

Full Range – Full Warranty

A part of Dinex' complete offering of more than 15.000 part references for European Heavy Duty Trucks, covered by a market leading warranty of up to 3 years.
