

# Dinex webshop upgrades are here!

Discover enhanced features designed to simplify your shopping and ordering process.

All You Need From Turbo To Tailpipe

## Webshop by Dinex

### Export Data for ERP Systems

Effortlessly export part details, prices, and more to integrate with your ERP systems for smoother business operations.

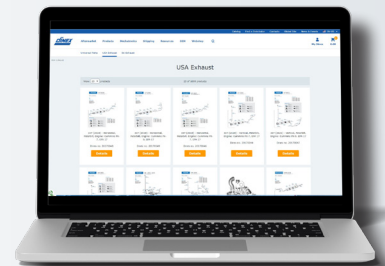

### VIN-Search Relocation

Quickly find the right parts using your vehicle's VIN number—now even easier to access for our US customers.

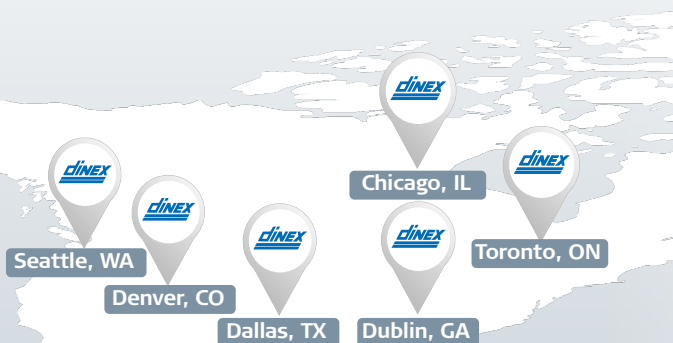

### Exciting New Updates Coming Soon

Stay tuned for updates that include localized news feeds and quicker access to the latest parts—designed to make your experience even better!
