

System Administrator

Middelfart, Denmark

going the extra mile

Dinex GROUP

The Dinex Group is a leading global manufacturer and distributor of innovative engineered gas and diesel exhaust aftertreatment emission solutions for the heavy duty truck, construction & agricultural vehicle industry.

Every day our products and technologies clean the exhaust gas from millions of vehicles worldwide in compliance with the most stringent emission legislations, such as EURO VI and EPA10, and with solutions in place for carbon-neutral fuels and Power-to-X applications, Dinex is a part of a green, climate-neutral future for next generations.

The Dinex Group, headquartered in Denmark, operates through 20 companies and 2,000 dedicated people worldwide. Dinex is present in 16 different countries, 4 regions, with 6 global tech centers and facilities in Denmark, USA, India, China, Turkey, UK, Finland, Germany and Latvia. Additionally, Dinex has sales and distribution companies in Spain, Italy, France, Germany, UK, Poland and Serbia.

IT at Dinex

As our new System Administrator, you will join our global IT team, which serves as pillar at Dinex keeping our IT efficient and secure. We are a team of highly motivated professionals who work on defining and executing the high ambitions of Dinex – and we make sure to have fun from time to time.

Qualifications

It is important to us that you:

- Have proven Expertise
 - Minimum 5 years of hands-on experience in IT infrastructure management.
- Are virtualization Pro
 - Strong knowledge and expertise in Hyper-V environments.
- Knowledge of Group Policy Management
 - Solid experience with Group Policy Objects (GPO).
- Are Microsoft 365 Specialist
 - Experienced in Azure, Intune, Autopilot, and just in general the Microsoft 365 platform.

We imagine that you have finish as Data Technician specialized within infrastructure or similar education.

To be successful in the role you should poises following skills:

- Exceptional Communicator
 - Ability to clearly and effectively convey information, ensuring smooth collaboration and minimizing misunderstandings when addressing IT challenges. English both oral and written is required.
- Solution-Oriented Mindset
 - Naturally driven to analyze issues, identify root causes, and implement effective solutions.
- Passion for IT Excellence
 - Demonstrates strong technical expertise and enthusiasm for staying ahead in the IT landscape.

- Collaborative Team Player
 - Thrives in teamwork but also excels when working independently to deliver results.
- Analytical, Methodical and Detail-Oriented Thinker
 - Skilled at diving deep into problems or projects with precision and maintaining focus to deliver well-thought solutions over extended periods.

Roles & Responsibilities

Your primary work tasks would be:

- Be the Backbone of Global IT Support
 - Provide expert second-level remote assistance to our worldwide team through a dynamic ticketing system.
- Be the Local Hero
 - Deliver first-level support on-site, ensuring seamless operations and quick resolutions.
- Keep Our Systems Cutting-Edge
 - Own the responsibility of maintaining and patching the entire infrastructure to keep it secure and up-to-date.
- Tackle Exciting Challenges
 - Handle diverse ad hoc tasks that keep you sharp and agile.
- Shape the Future of IT
 - Collaborate with Group IT Management to develop and execute forward-thinking IT strategies.
- Explore and Innovate
 - Travel to Dinex locations, assess IT landscapes, and design strategic IT roadmaps for each site.
- Reimagine and Optimize
 - Continuously rethink our IT setup and implement improvements to enhance efficiency and performance.

Your responsible as being the Backbone of Dinex IT Infrastructure involves:

- Team up with the IT Manager to ensure our systems run like a well-oiled machine.
- Secure, efficient, and with minimal downtime.
- Be the driving force behind a resilient and high-performing IT environment!

The job is placed at our headquarter in Middelfart, where you will be working from on a daily basis.

Career Perspectives

For the right candidate, we offer a unique opportunity for growth in competencies, personality, and a career opportunity nationally as well as globally.

With the right attitude, potential and willingness, you will experience Dinex as a company with strong values and high professionalism. Last but not least, we see an attractive future ahead of us, and you will be part of a company that is at the forefront of the sustainability agenda.
