

More upgrades for the Dinex Webshop are here!

We're making your experience on webshop even easier. Check out the latest webshop enhancements designed to streamline your experience.

All You Need From Turbo To Tailpipe

Webshop by Dinex

See Expected Release Dates for New Parts

For unreleased parts, customers can sign up for status updates, and for parts in development, the expected release date will now be visible.

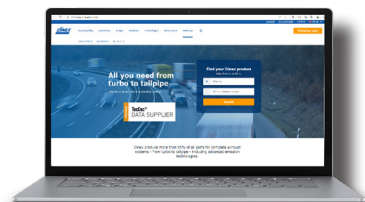

Simplified Warranty Forms

Faster claims with an intuitive form that asks only the relevant details based on the product type.

Easier Order Management

View a compiled list of all outstanding ordered parts across your open orders in one place.

Try out our enhanced webshop by scanning the QR code or visit dinex.net
