

# DinTronic™ DEF Pumps, Filters & Injectors

All You Need From Turbo To Tailpipe

## DEF Systems by Dinex

### One-Stop Solution for Complete Coverage

Dinex's DinTronic line offers a full range of DEF components to keep your aftertreatment system running smoothly while saving time from sourcing multiple suppliers.

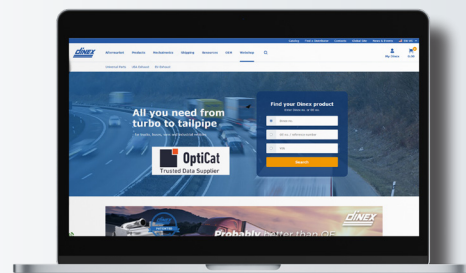

### OE-Quality, Tested & Reliable

Our DEF components are direct OE replacements, tested at Dinex's test center, and deliver a cost-effective balance of emissions control and urea consumption.

### Fast Delivery, Easy Installation

All DEF components are stock items for quick shipping. Plus, DEF filters include silicone lube for hassle-free installation.
