

NEW PRICES, NEW RANGES & NEW PARTS

Product Releases – Q1 2025

AFTERMARKET

All you need from Turbo to Tailpipe

We're 3 months into 2025 and our Product Development team has been busy already. We got several new Mechatronics available and an all new range of NO_x-sensors specifically for Light Commercial Vehicles, based on the trusted and robust Dinex Generation 2 technology. And not to mention: We've re-released our range of Euro 6 silencers, now excluding DPFs, allowing end users to have the freedom of choosing the right DPF for their repair. A total of 27 additions - all available for ordering now!
