

Ease off the Back Pressure

Allow your engine to breathe more freely, with Dinex' relaunched DPF for DAF CF & XF Euro VI trucks, based on a new improved ceramic core.

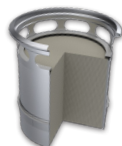

going the extra mile

All You Need From Turbo To Tailpipe

Particulate Filter for DAF CF & XF (2018)

Lower Back Pressure

Our new ceramic core fully meets OE-benchmarks and allows for a freer flow of exhaust gas without compromising filtration efficiency.

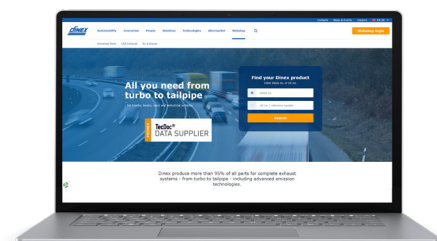

Optimized Engine Performance

With lower back pressure than other Aftermarket alternatives, your engine can operate unhindered, with lower fuel consumption and more power.

Type Approved, of course!

With Dinex, all Euro VI emission technologies are officially Type Approved, leaving you with zero legal risks, and maximum durability.
